

Faculty Position (Social Network Analysis) (Job ID: 2556)

The Division of Social Science at the Hong Kong University of Science and Technology seeks to hire a faculty member with expertise in social network analysis. The position is open at all ranks (Assistant Professor/Associate Professor/Professor) and disciplines (sociology, political science, economics, science and technology, etc). Preference will be given to candidates with an active research agenda related to social network analysis with the capacity to engage in both undergraduate and graduate training. Only candidates with a PhD degree by the time of appointment (July 2016) will be considered.

The Division of Social Science at HKUST is a world-class, multidisciplinary academic department. In both 2013 and 2014, the Times Higher Education Rankings determined that the Division was #1 in Citations in Social Science among all Asian Universities. This achievement reflects our commitment to excellence in research and our determination to provide outstanding training programs in qualitative and quantitative social science research.

Salary is highly competitive and will be commensurate with qualifications and experience. Fringe benefits include annual leave, medical and dental benefits, and housing benefits where applicable. Appointment at Professor rank will be on a substantive basis. Initial appointment at Assistant Professor/Associate Professor rank will normally be on a three-year contract, renewable subject to mutual agreement. A gratuity will be payable upon successful completion of contract.

The University is committed to increasing the diversity of its faculty and has a range of family-friendly policies in place.
